

CHALKIE NEWSLETTER

6/12

Hello All,

Planning is in the final stages for our Reunion day on Saturday week, the 6 October.

I thought I would send out a final Newsletter with some last minute details for you.

We are looking forward very much to an excellent day. Please make sure you bring along all of your memories of your time in PNG as opportunities will exist for you to tell everybody about these.

Please remember that start time for registration and coffee is 9.30 am and the day officially begins at 10.00 am.

The following are some last-minute important points:

1. NUMBERS:

It is critical for catering purposes that we know accurate numbers. Final figures are needed by this Sunday. Please email me (ozoggies2@gmail.com) if there are any changes to your original notification.

2. SPECIAL FOOD REQUIREMENTS:

The Kedron Wavell RSL will cater for special diets as long as they are notified in advance. Please let me know (by the email address above) if you need anything special in this regard and I will pass the information on to the caterers.

3. LOCATION OF THE VENUE:

The address of the Kedron-Wavell RSL is:

375 Hamilton Road, Chermside Qld 4032

It is a very large and well-known club in the area and is not difficult to find. A helpful landmark near the Club is the huge Chermside Shopping Centre on the corner of Gympie Road and Hamilton Road. If you find this shopping centre, the club is just behind it (from Gympie Road).

Those using buses should go to the Chermside Shopping Centre Bus Station. The club is a very short walk (about 200 metres) down Hamilton Road from here.

4. PUBLIC TRANSPORT:

Brisbane City Council buses are the best form of public transport to get to the Kedron-Wavell Club. To work out how to get from your location to the club you must go to the 'Translink' website and complete the details you will find there. Information on routes, times and costs are available here. As indicated above, show your destination as the Chermside Shopping Centre Bus Station.

If everything fails, call me on my mobile (0428 598685) and I should be able to help you out.

* *

All the best for now and we look forward to seeing you on 6th October for what should be a great day.

Ian Ogston (for the organising team)
